THE MOST RELIABLE, MOST DURABLE SPREADERS YOU CAN BUY

New Holland box spreaders are the best-selling spreaders in the industry—and for good reason. Known as “Strong Boxes,” New Holland box spreaders are engineered to perform and built to last. They have the toughest floors and sides of any spreader available. And they’re made of special steels that are more corrosion-resistant and stronger than ordinary steels.

EVERY NEW HOLLAND ‘STRONG BOX’ COMES WITH BONDED PROTECTION

Here’s something you won’t find with competitive models — a no-nonsense, no-hassle guarantee on the sides and floors. It’s standard on every New Holland box spreader. This special Bonded Protection plan guarantees the floors and sides of all New Holland box spreaders for 12 years. If the floor or sides of your New Holland box spreader fail within 12 years of original dealer purchase, we’ll provide new parts — FREE. No one else offers this type of protection.

CHOOSE THE CAPACITY THAT’S RIGHT FOR YOUR OPERATION

New Holland offers five models of box spreaders covering a wide range of capacities—from the Model 145, with its 215-cubic-foot capacity, all the way up to the massive Model 195, with its 444-cubic-foot capacity. All five models have extra steel frame members for added strength and lightweight, high-strength A-frame hitches for extra durability.

oad transport. + For level or gently rolling land, the tractor weight should be at least 50% of the gross spreader weight; for hilly land, high-speed road travel, or other adverse conditions, the tractor weight should be equal to the gross spreader weight.
++ Easily converted by changing belt sleeve and PTO yoke.

Up to 12 high-strength steel beaters minimize breakage. Bolt-on paddles provide a knife-like cutting and shredding action for a wide, fine spread pattern.

All models have a reliable straight-line V-belt drive that runs quietly and smoothly, eliminating the need for a slip clutch.

VALUE, SERVICE AND SOLUTIONS

There's a certain way of thinking that comes from living on a farm. Farming takes equal parts brain and brawn. Not to mention thick skin, calloused hands and a fair share of know how. Seasoned farmers know it helps to have equipment that's built by farmers, sold by farmers and used by farmers.

Support at every step. When you place your confidence in New Holland agricultural equipment, you get the finest in local support. Your New Holland dealer understands the many challenges you face and stands behind you at every step with the equipment, parts, service and financial solutions to make your job easier. Look to New Holland for a complete selection of equipment, including a full line of tractors, hay & forage equipment, harvesting, crop production and material handling equipment.

Quality parts and service. Turn to your New Holland dealer after the sale for expert, factory-trained service and genuine New Holland-branded parts. Your dealer has the very latest service updates and training to ensure your equipment keeps working productively season after season.

Financing solutions. Your New Holland dealer can tell you about smart ways to turn your financial challenges into opportunities with a portfolio of innovative financial services available through CNH Industrial Capital, including customized financing, leasing, insurance and the purchasing convenience of a Commercial Revolving Account.

For reliable equipment, parts and service — or just honest advice on farming and finance — turn to New Holland and your trusted New Holland dealer. We know. We're farmers, too.

We are proud to support the FFA.
